ABOUT US

Founded in 2018 by Deone Francois, AFA Commercial Services is a woman-owned and operated business that offers a unique perspective in the construction industry. Our dedicated team specializes in new construction, renovations, remodeling, and project management, consistently delivering exceptional results. We prioritize building solid relationships through collaboration and clear communication, guaranteeing that each project exceeds our client's expectations. Committed to excellence, safety, and quality, AFA is the reliable partner you can count on from start to finish.

CORE COMPETENCIES

- ❖ **Construction Services:** Implementing a proven Work Control Process with the flexibility to adapt to project and customer needs, ensuring efficient and successful project execution.
- ❖ **Project Management:** Leveraging extensive experience and dedication to drive project success, ensuring all objectives are met on time and within budget.
- ❖ **Building Inspections:** Combining technical expertise, keen attention to detail, and analytical thinking with strong communication and problem-solving skills to ensure compliance with all legal and regulatory standards.
- ❖ **Safety Compliance:** Upholding a strict safety-first philosophy, with a commitment to the principle: "If it's not safe, I won't do it and I won't let others do it," ensuring the highest operational safety standards.

DIFFERENTIATORS

- ✓ Woman-owned and operated, bringing a unique perspective and leadership style to the construction industry.
- ✓ Our commitment to fostering strong relationships through collaboration and communication sets us apart from the competition.
- ✓ Proven track record of consistently delivering exceptional outcomes, surpassing client expectation.
